Trace the Word

MOUNTAIN

MOUNTAIN

Now write it yourself:

Put the Story in Order

Write 1, 2, 3, and 4 in the boxes — which happened first, next, and last?

☐ **Splash at the waterfall**

☐ **Blue mist rises at dawn**

☐ **Watch the sun set at Kuwohi**

☐ **Hike the forest trail**

Number Fun

A ranger counts 7 deer in the morning and 5 in the evening. How many deer is that?

The park had 12.19 million visits in 2024. Is that more or fewer than 12 million?

A trail climbs 6,643 feet to Kuwohi. Round that height to the nearest thousand feet.

Your Turn to Design

Design a park badge for a Junior Ranger. Draw a mountain, one animal, and one plant inside it.

Tell the Story

Write about a firefly night in the Smokies. What flashed first? Who was standing beside you?

Draw and Label

Draw each scene from Book 1 in its own box.
