How to Use This Workbook

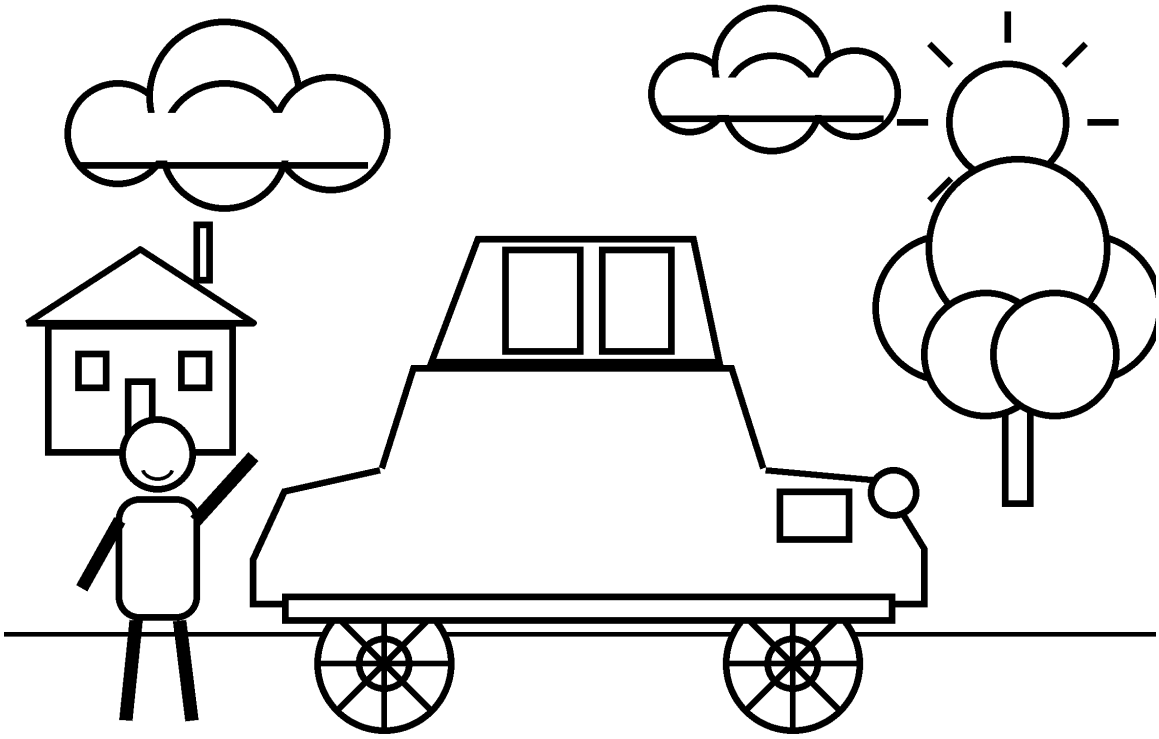

1. Read the scene in Book 1 (or ask a grown-up to read it with you).

2. Color the picture here — big, bold, and joyful.

3. Do the detective job at the bottom of the page.

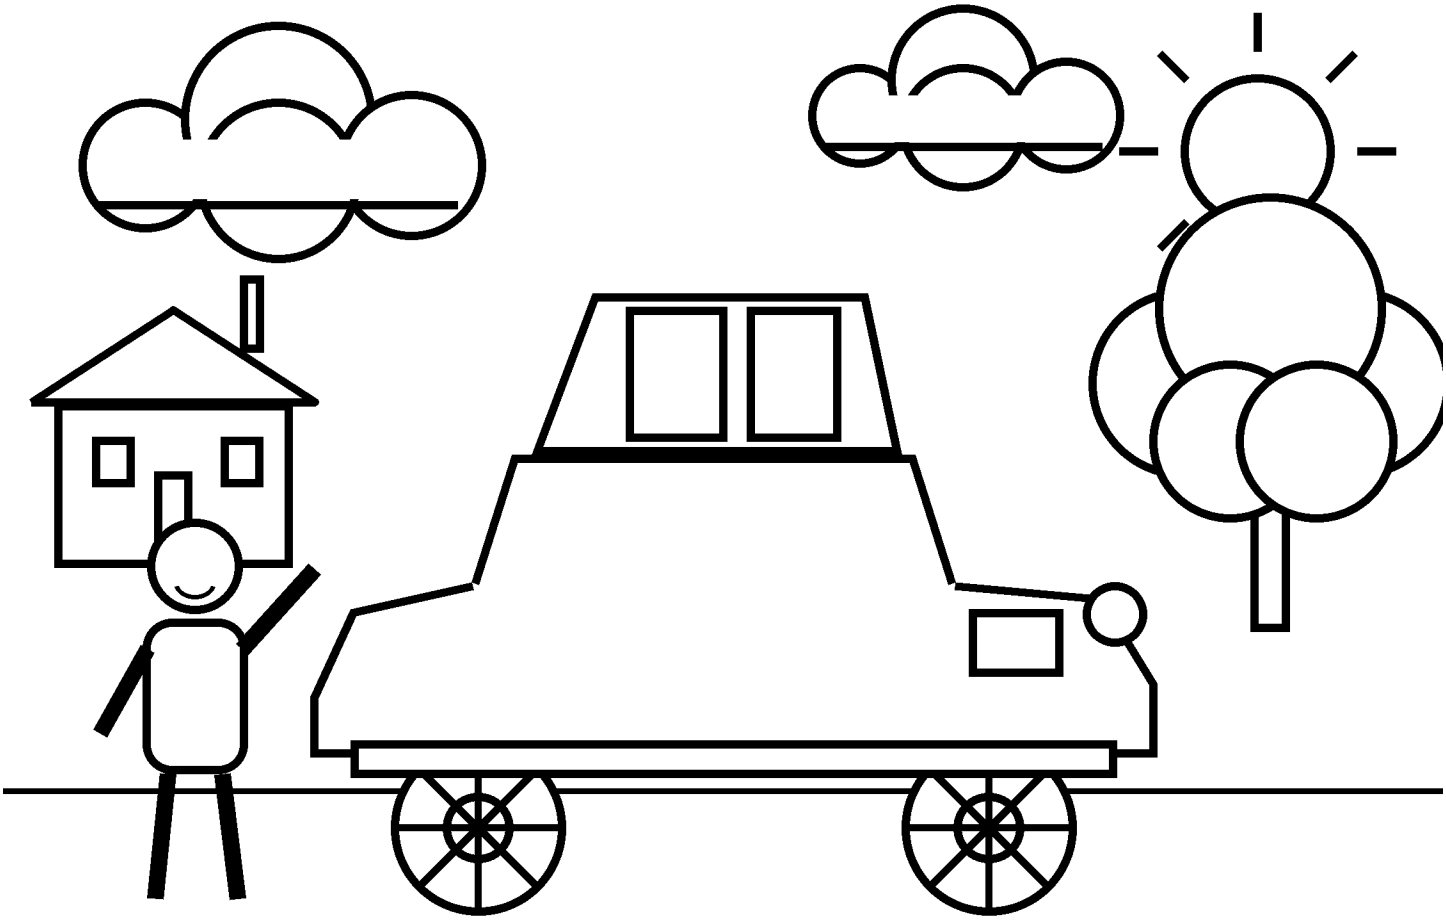

4. Finish with the maze, the matching, the tracing, and the making pages.

5. Earn your certificate on the last page!

COLOR AND DO • SCENE 1

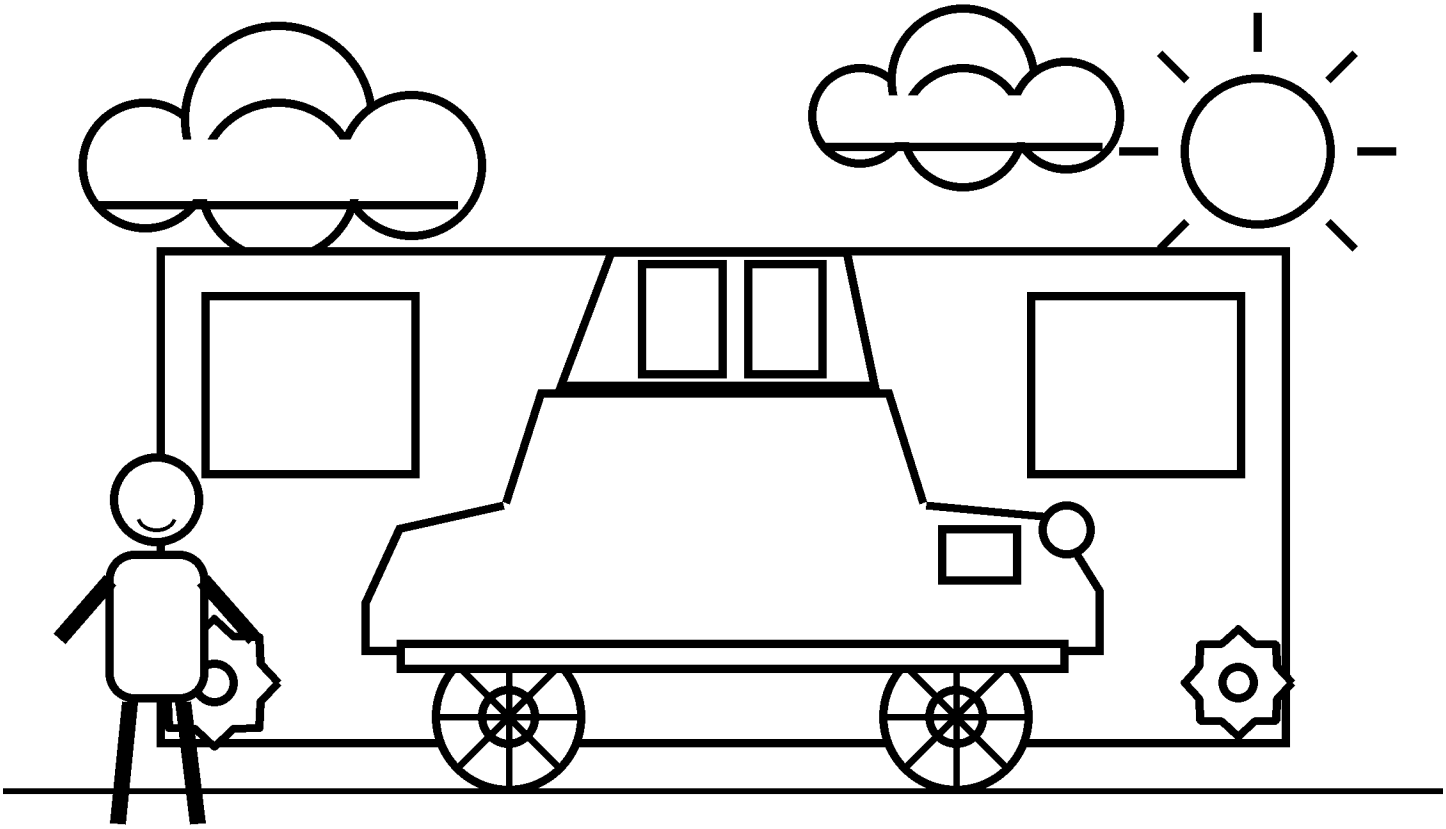

A New Car Appears

Color the Model T. Draw a dirt road under its wheels.

DETECTIVE JOB: Count the round things in the picture. Write the number here: _____

Built to Be Simple and Strong

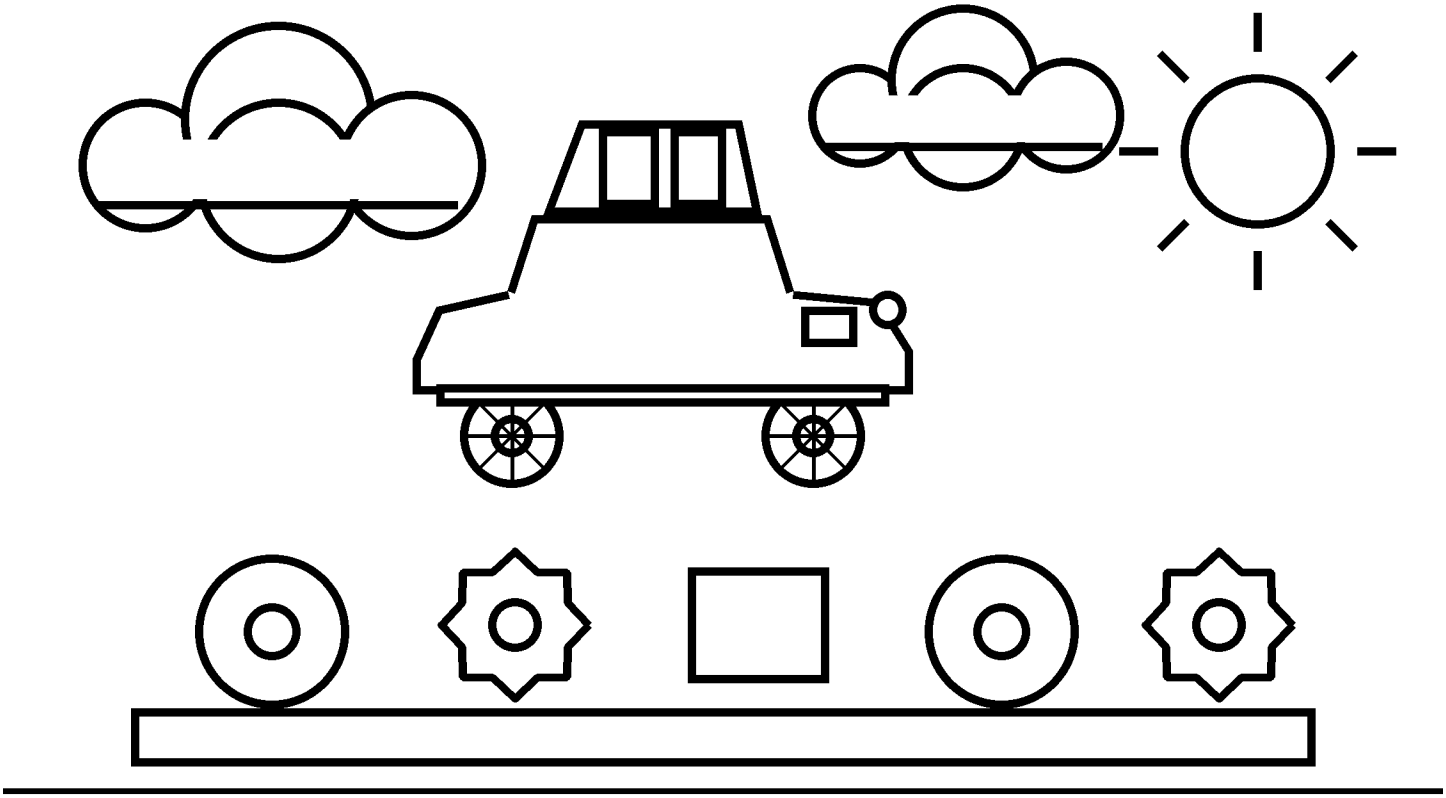

Color the workshop. Circle the tool you would hand the builders.

DETECTIVE JOB: Find and circle three shapes — a circle, a square, and a triangle.

COLOR AND DO • SCENE 3

Parts That Always Fit

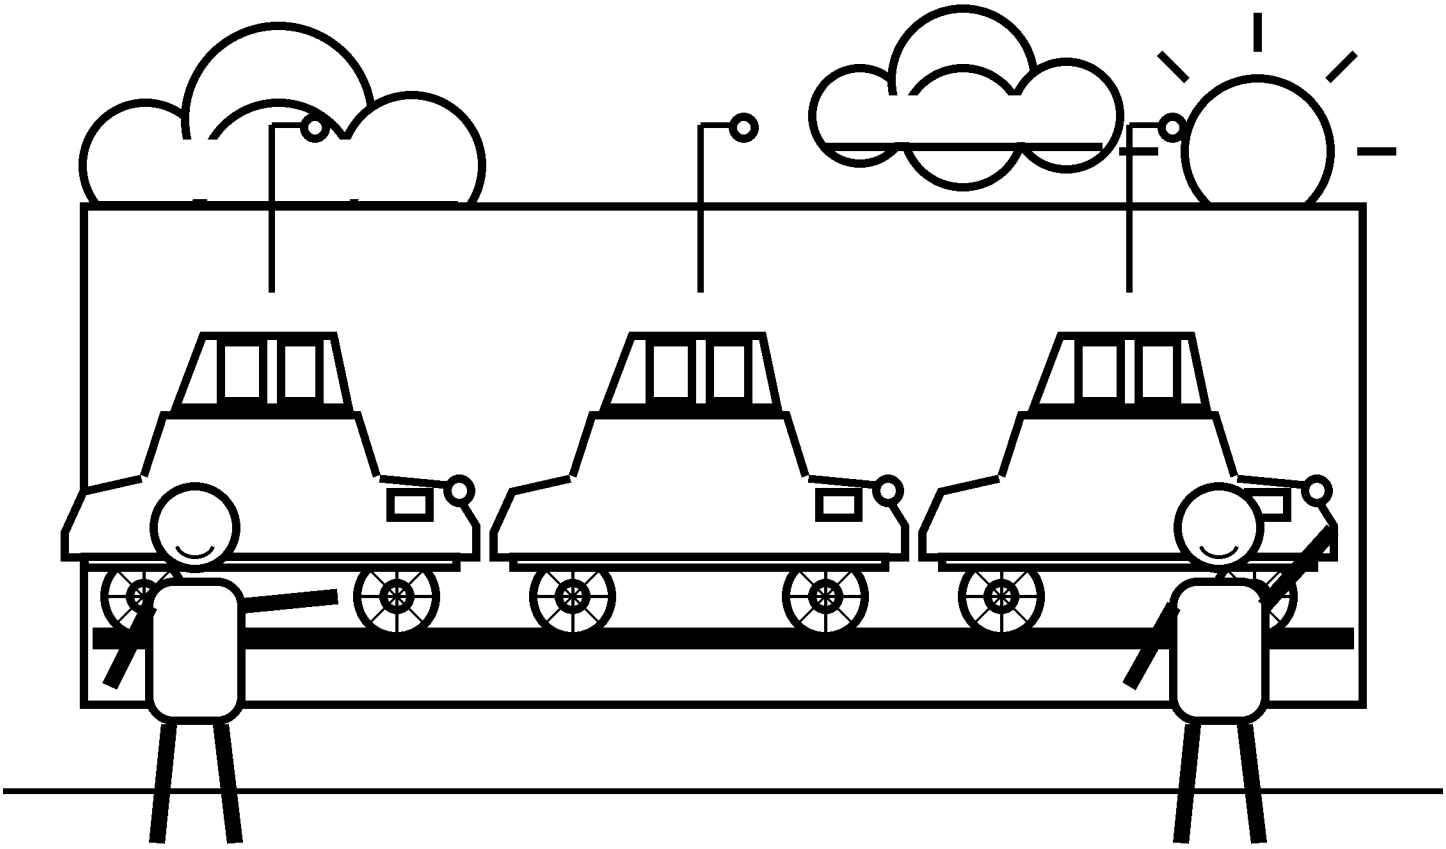

Color the parts table. Count the wheels and gears.

DETECTIVE JOB: Trace the biggest outline with your finger, then color inside it first.

COLOR AND DO • SCENE 4

The Line That Moved

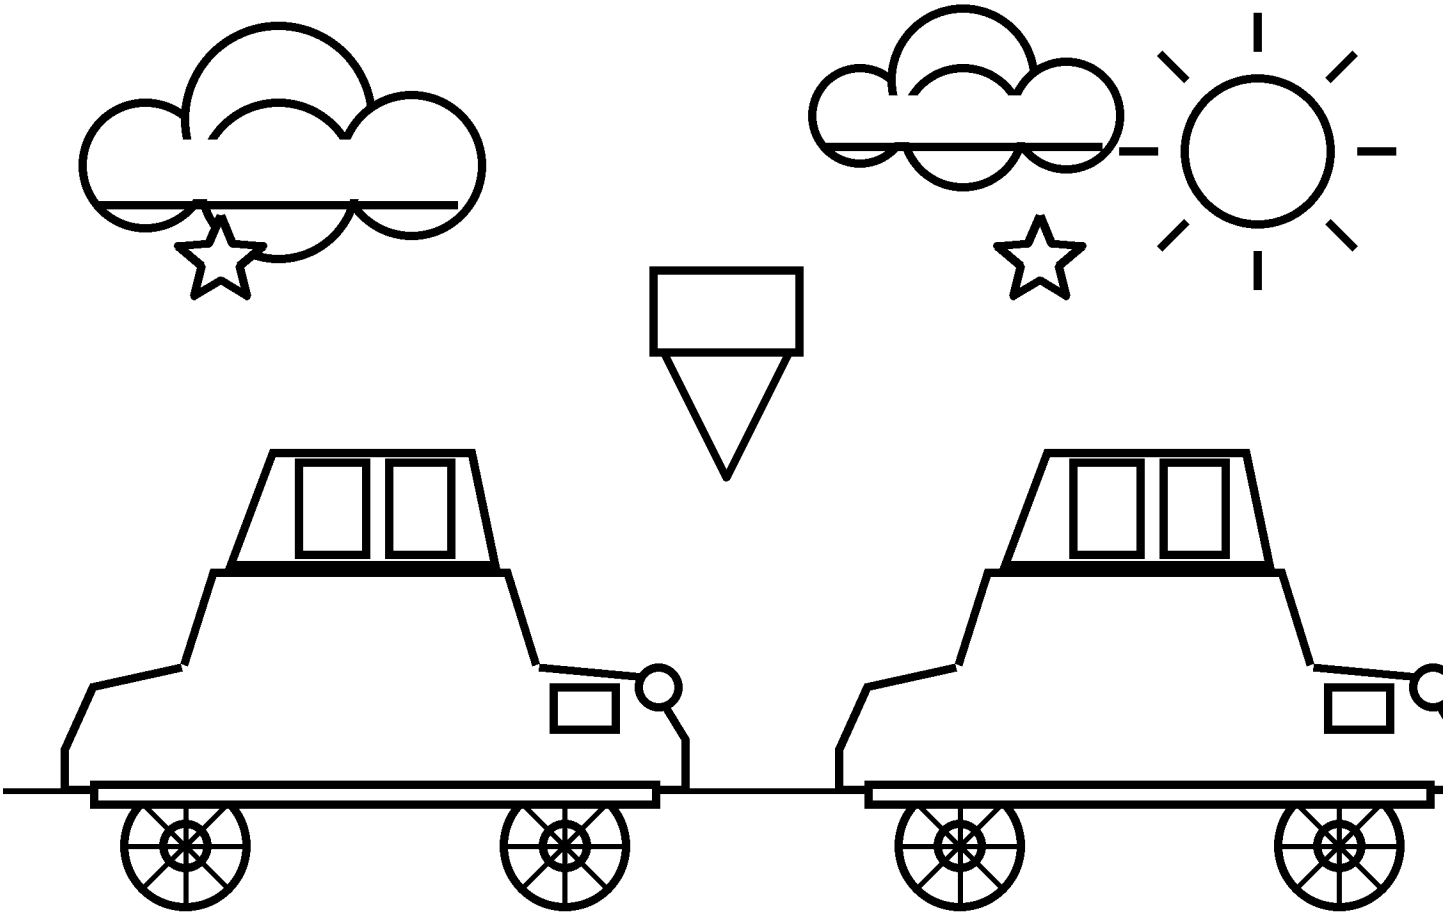

Follow the assembly line with your finger. Color the three cars in different colors.

DETECTIVE JOB: Draw one thing that belongs in this scene but is missing.

COLOR AND DO • SCENE 5

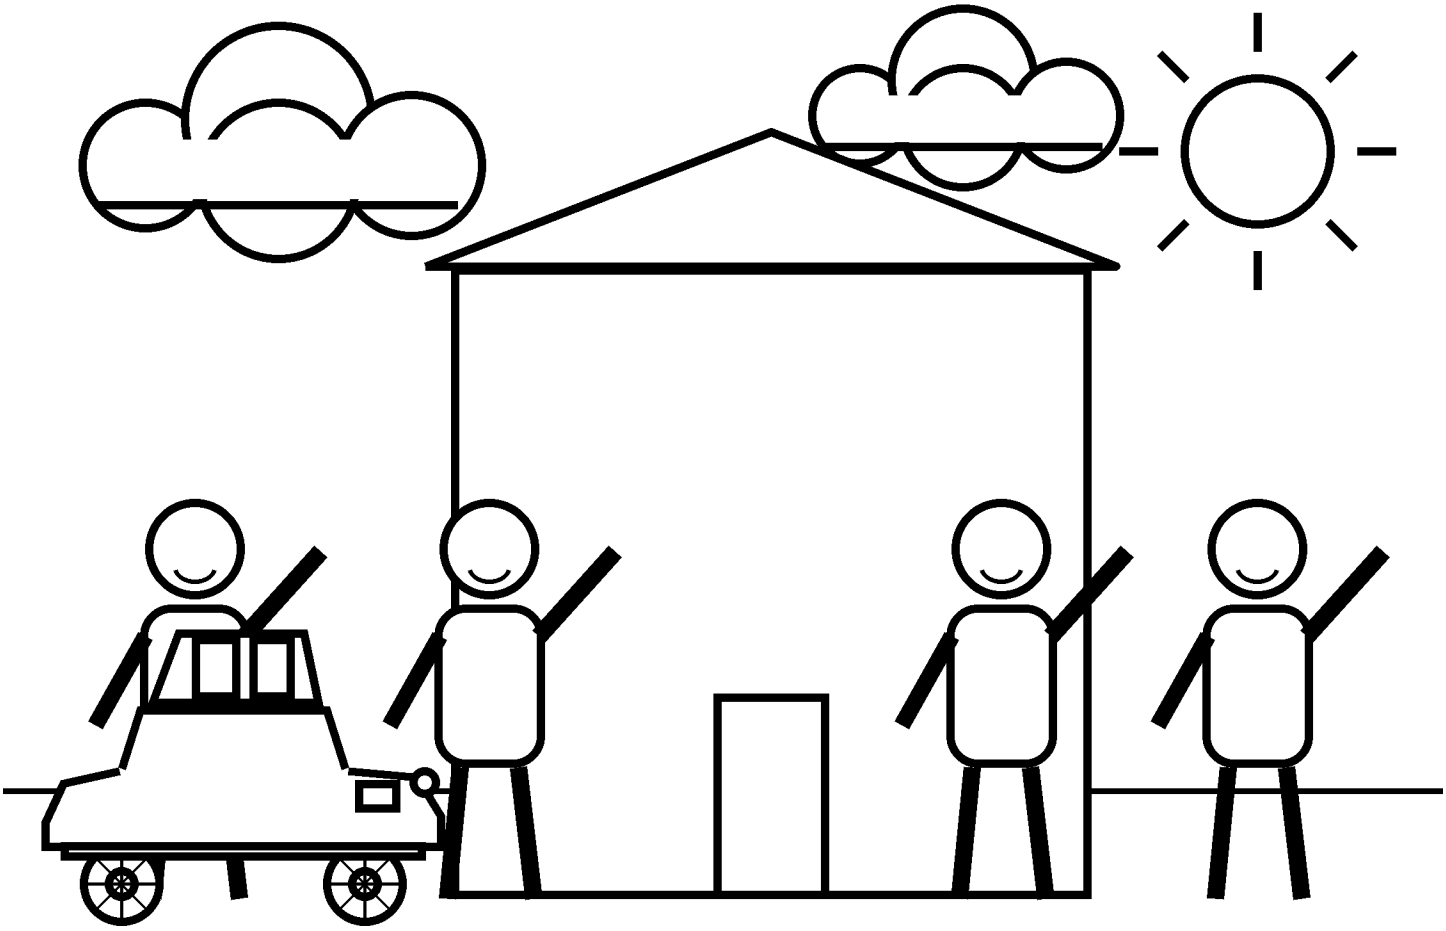

The Price Falls and Falls

Color the two cars. Draw an arrow pointing down between them — the falling price!

DETECTIVE JOB: Count the people and animals. People: _____ Animals: _____

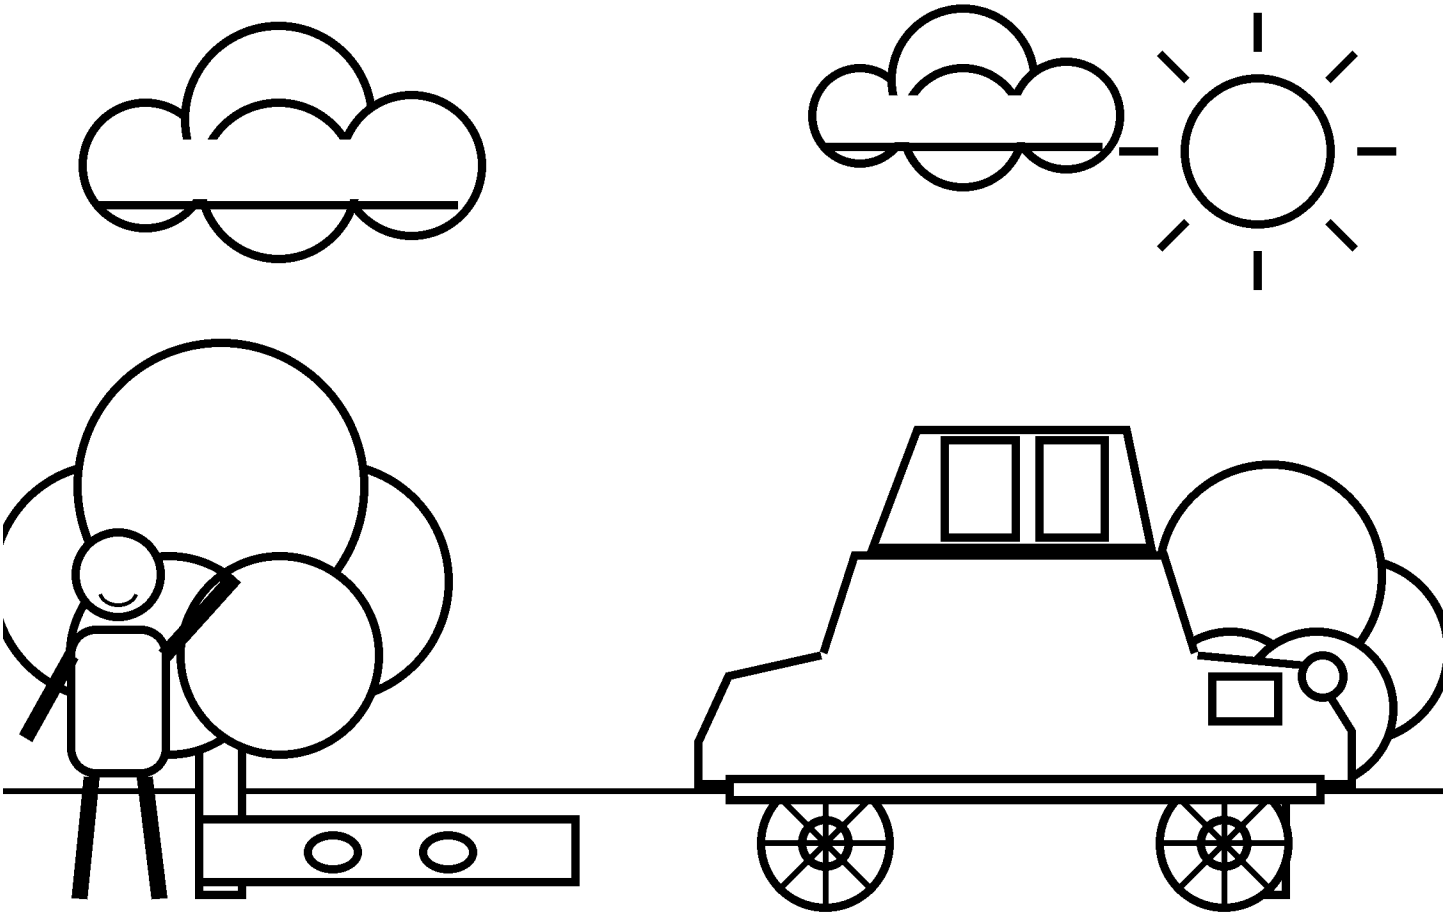

The Five-Dollar Day

Color the factory and the families. Draw a smile on every face.

DETECTIVE JOB: Color the background first, then the star of the scene.

Families Take to the Road

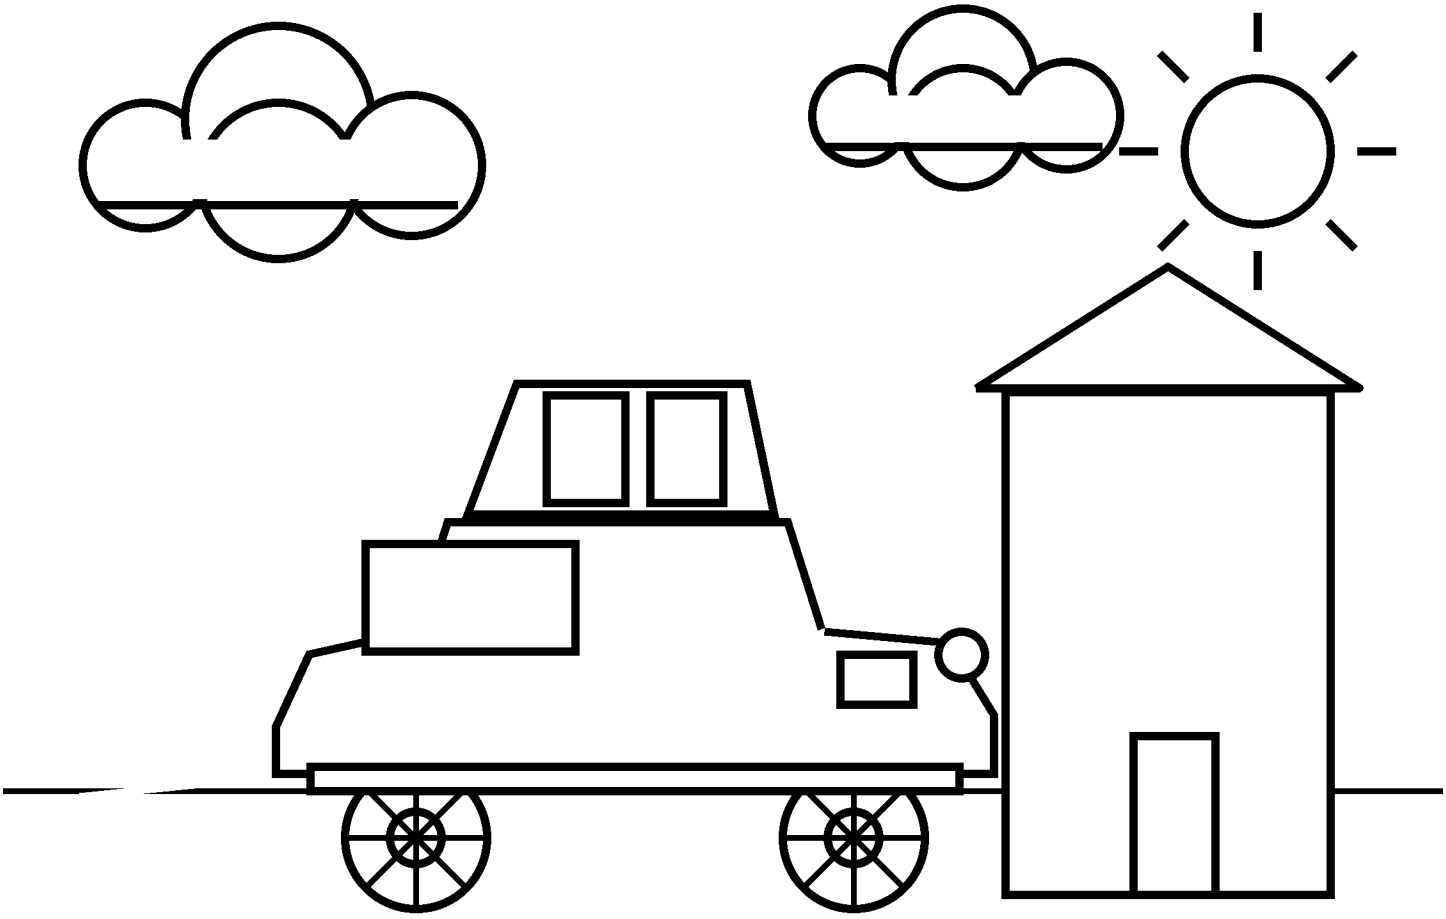

Color the picnic. Draw your favorite picnic food on the blanket.

DETECTIVE JOB: Find the tallest thing in the picture and color it gold.

COLOR AND DO • SCENE 8

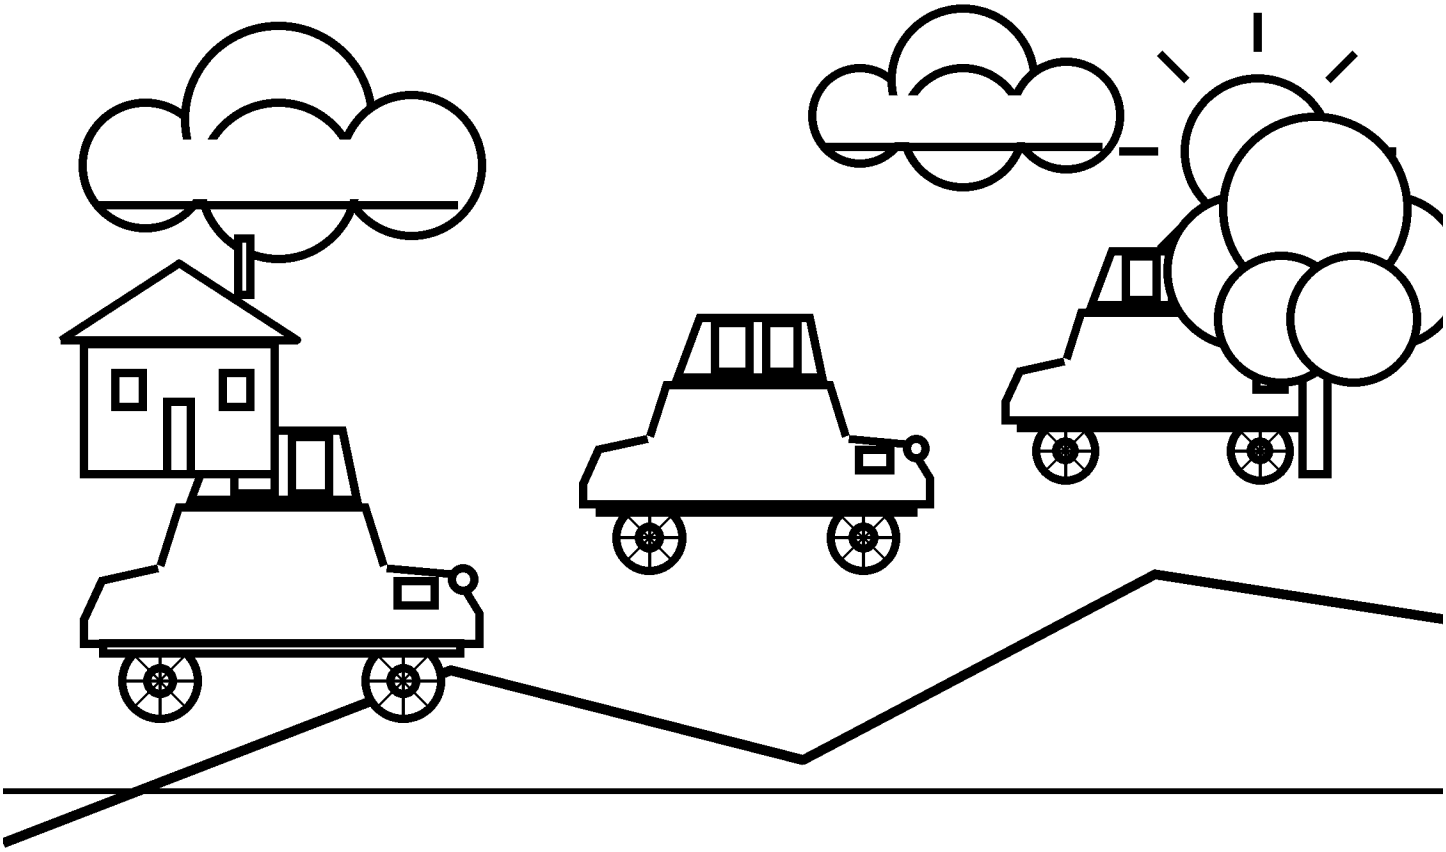

A Workhorse on the Farm

Color the farm scene. Draw one more hay bale on the load.

DETECTIVE JOB: Draw the same scene at a different time of day in the corner.

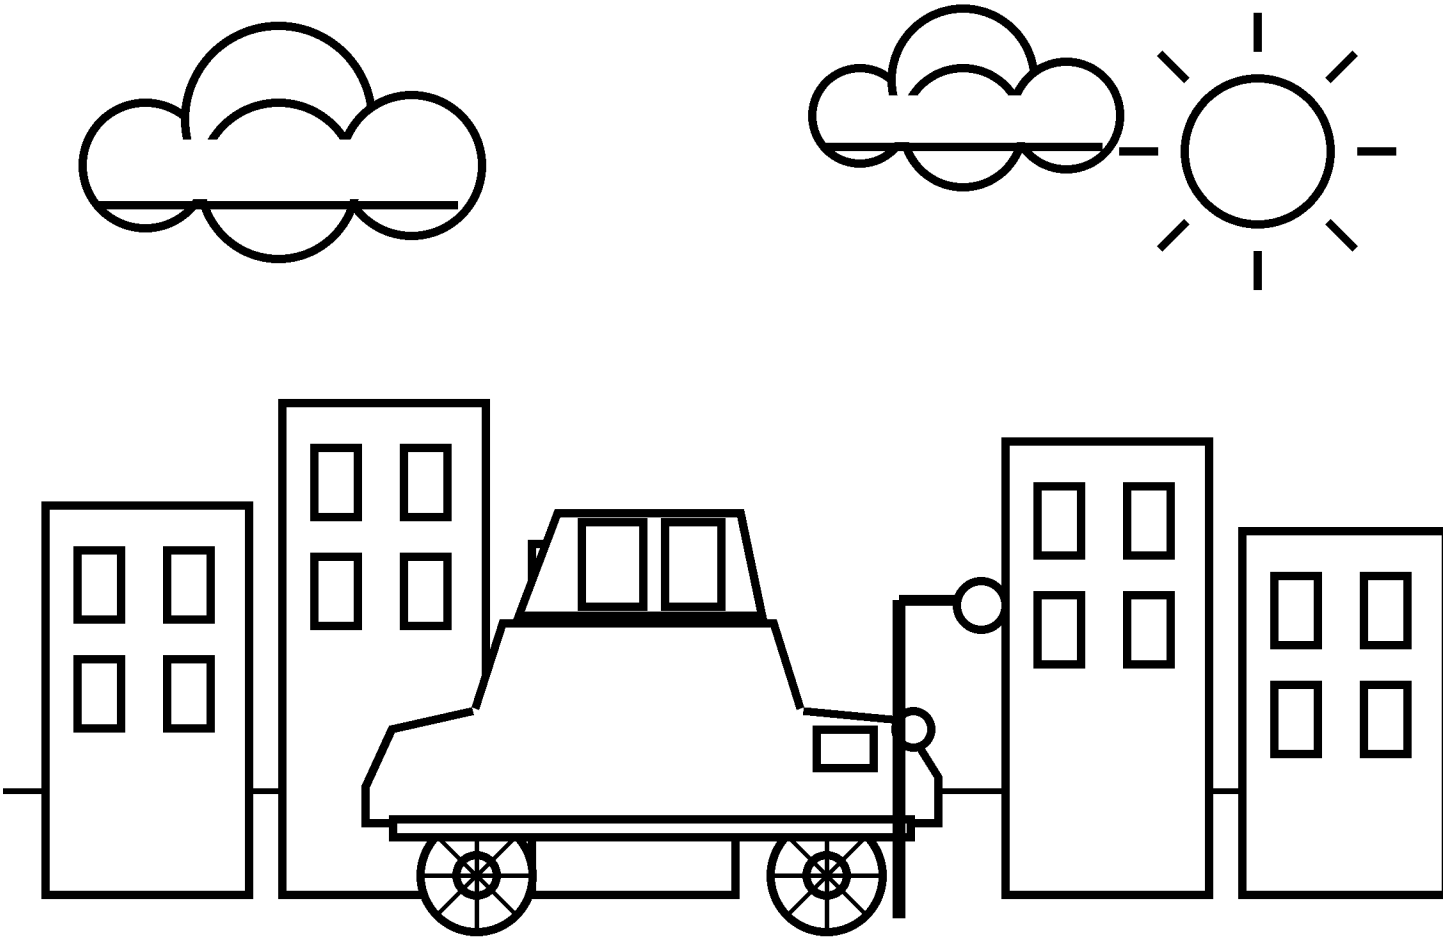

America Builds Roads

Follow the winding road. Color the smallest car last.

DETECTIVE JOB: Count the windows, wheels, or leaves — whichever this scene has most of.

Main Street Fills With Cars

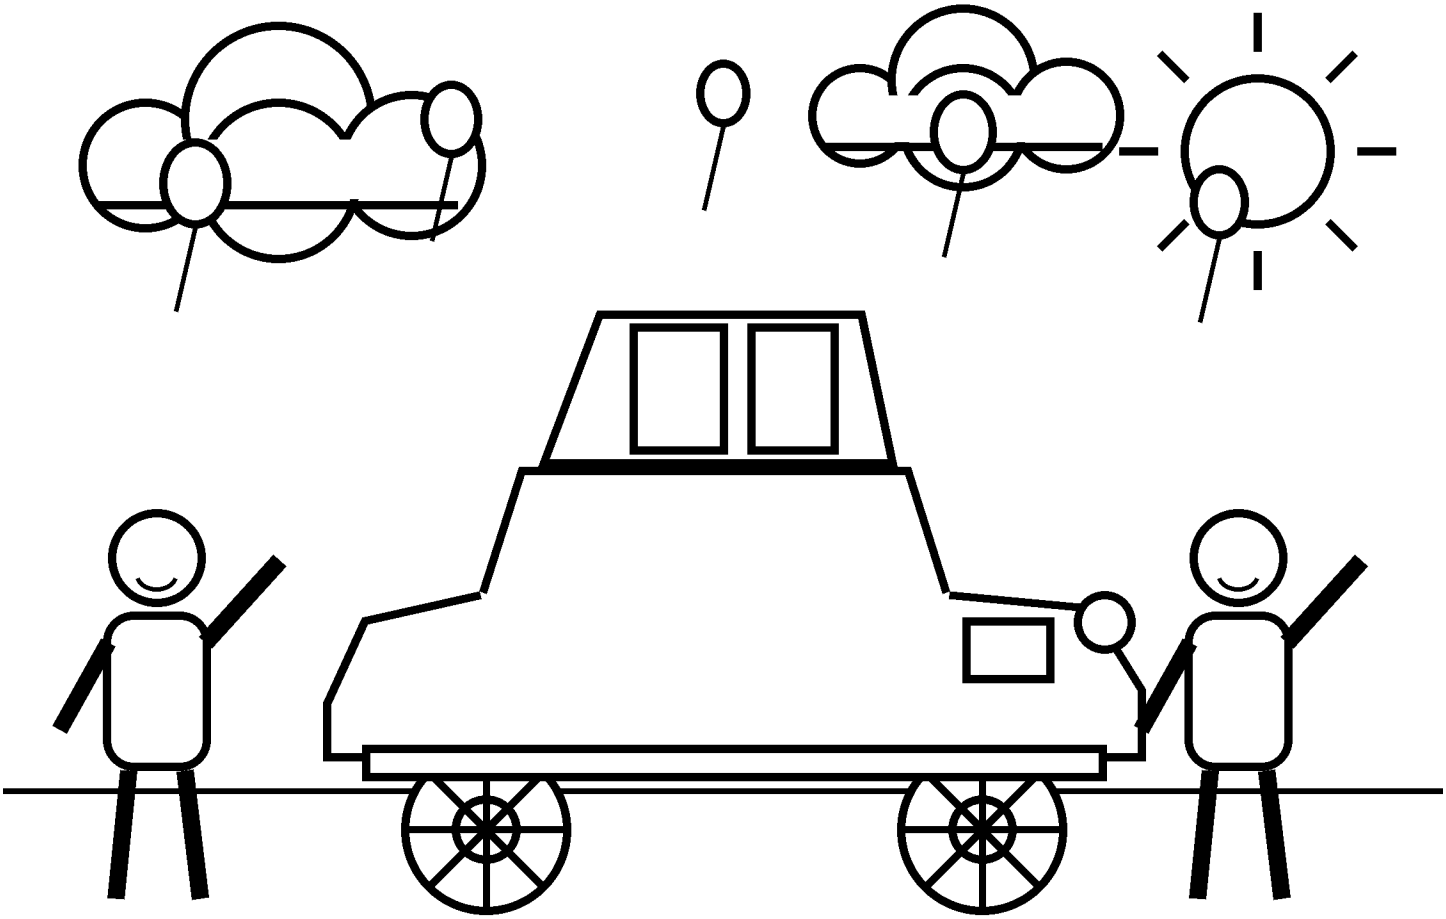

Color Main Street. Count the glowing windows.

DETECTIVE JOB: Give the scene a new title and write it on the line:

_____

Fifteen Million!

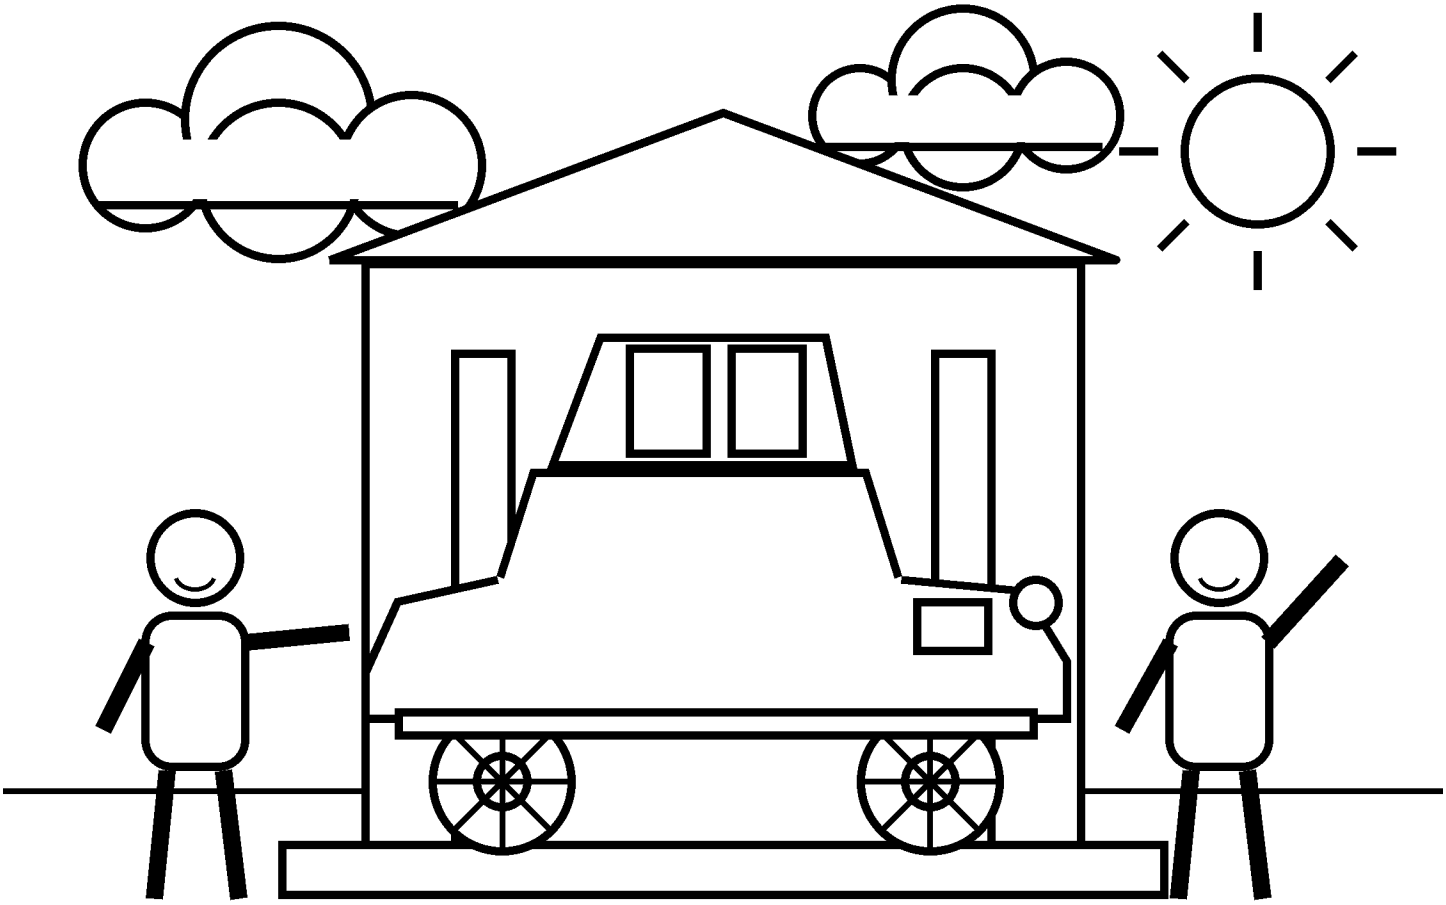

Color the celebration. Add three balloons of your own.

DETECTIVE JOB: Color with only three colors. Which three?

_____

COLOR AND DO • SCENE 12

The Car That Changed a Country

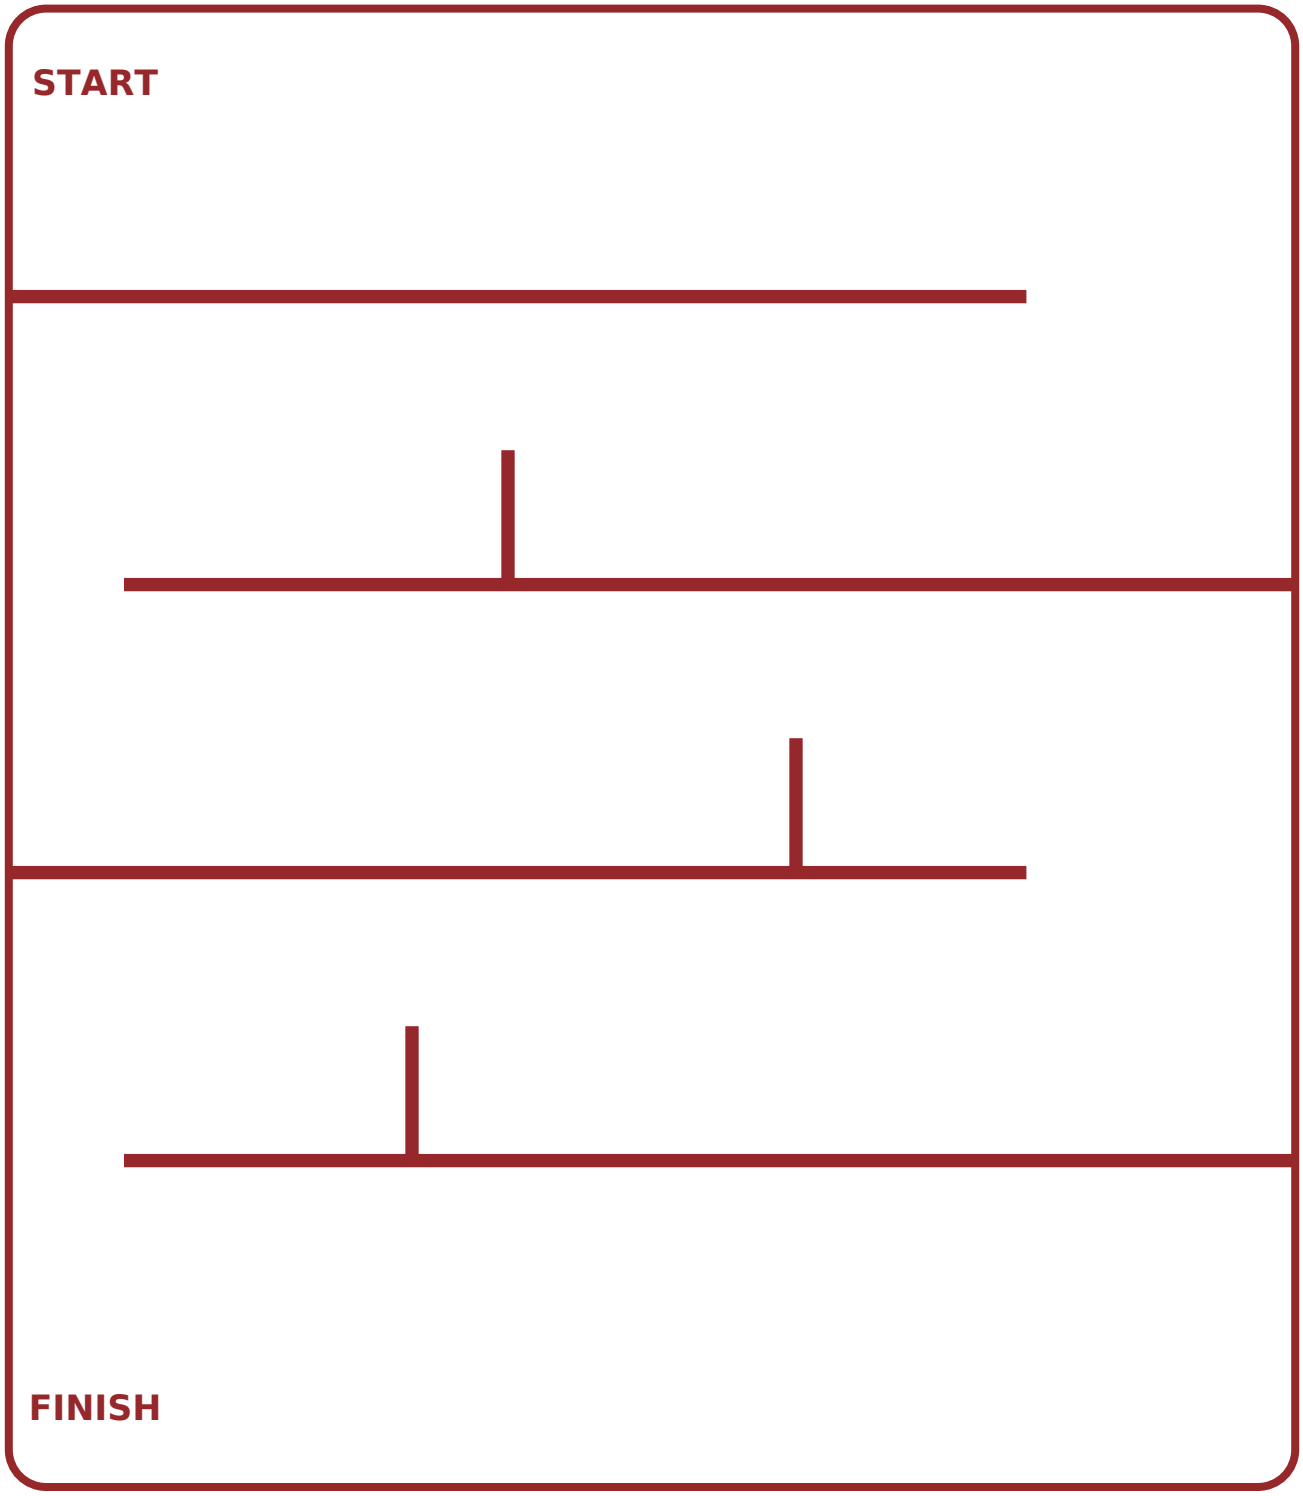

Color the honored Model T. Draw a star above it.

DETECTIVE JOB: Draw a frame of stars around your finished picture.

The Explorer's Maze

Find the path from START to FINISH. Take your time — explorers do!

Match Them Up!

Draw a line from each name to its true match.

1. 1908	**A. Ford's famous 1914 pay raise**
2. 93 minutes	**B. the Model T first went on sale**
3. The $5 day	**C. Model Ts built in all**
4. 15 million	**D. the assembly line's build time**

Answers stand on page 25 — no peeking until you have drawn every line!

Trace the Word

MODEL T

MODEL T

Now write it yourself:

Put the Story in Order

Write 1, 2, 3, and 4 in the boxes — which happened first, next, and last?

☐ **The price falls to $260**

☐ **Parts are made to fit**

☐ **Families take to the road**

☐ **The assembly line speeds up**

Number Fun

The Model T's price fell from $850 to $260. How many dollars did it fall?

A frame once took 12 hours 30 minutes. The line took 93 minutes. Which is faster?

A driver visits 4 towns in the morning and 3 in the afternoon. How many towns is that?

Your Turn to Design

Design a car for your own family. Give it strong wheels, a happy color, and a name.

Tell the Story

Write about your family's first drive in a Model T. Where did you go? What did you see?

Draw and Label

Draw each scene from Book 1 in its own box.

A New Car Appears

Built to Be Simple and Strong

Parts That Always Fit

The Line That Moved

Answers — For Grown-Ups and Checkers

MATCH THEM UP

1 – B: the Model T first went on sale

2 – D: the assembly line's build time

3 – A: Ford's famous 1914 pay raise

4 – C: Model Ts built in all

PUT THE STORY IN ORDER

1. Parts are made to fit
2. The assembly line speeds up
3. The price falls to $260
4. Families take to the road

NUMBER FUN

- $590
- 93 minutes — much faster
- 7 towns
